MEMORANDUM FOR THE RECORD:

SUBJECT: Parking

1. On 9 April 1962 at 1530 hours, Col. White called and requested that the undersigned brief him at 0900 hours, 10 April 1962, with regards to status of parking at the new building. The Deputy Director (Support) indicated that the subject of parking was listed on the DCI's weekly agenda for discussion with him and that he desired being refreshed on some background parking statistics beforehand.

2. On 10 April 1962, at 0900 hours, the undersigned briefed Col. White and left with him statistical data, as requested, for his use. A graphic aid summarizing information provided is appended (enclosure).

3. During the course of the briefing, Col. White asked about the status of O/L's comparison of distances of parking lots at the Pentagon and Headquarters. Col. White indicated the subject might come up during the course of the parking discussions and any information at this time would be helpful. A working paper indicating the comparative distances was provided for his (DD/S) use. A copy of the working paper is appended (enclosure). In view of the fact that the above requirement emanated from [redacted] direct to DC/BFS/OL, it is believed that the DD/L should be advised of the above developments. [redacted] DC/BFS/OL, has been advised regarding the above developments. No further action, in view of developments, is contemplated within the branch regarding the above requirement.
